

How Was Your Experience in the District Attorney's Victim Witness Center?

We know that this is not a place most people want to visit. You are here in our Victim Witness Center because you are a witness to a crime or the victim of a crime. We wish you did not have to be here.

The cooperation of witnesses is vital to criminal prosecution and your assistance is valued by the District Attorney's office. If you are a victim, you have a right to be here and to have questions answered about the process. We understand that court can be intimidating and infuriating, confusing and uncomfortable. Some of that is beyond our control. But our goal is to make your encounter with us as comfortable and positive as possible while securing justice. Please help us improve the process by telling us about your experience here. You may fill out this evaluation and return it to the receptionist, take it home and fax it to 918-596-8794, mail to District Attorney VWC, 500 S. Denver Ave, Tulsa OK 74013 or go to our website to complete the survey at www.da.tulsacounty.org. Thank you again for your assistance and cooperation in securing justice.
